**Dear Shin'ichi Ikawa,**

Emirates International Poster Festival (EIPF) is the first-of-its-kind creative platform in the MENA region developed to showcase and celebrate contemporary poster design from around the world. This is an initiative of the Cultural and Scientific Association (NADWA) in Dubai to expand creative expression and to promote graphic design practice and creative thinking in the MENA region. In view of your professional achievements and contribution to the design field, the organizing committee would be honoured to invite you to participate in the 1st edition of the EIPF 2019.

**Festival Theme: "Year of Tolerance"**

His Highness Sheikh Khalifa bin Zayed Al Nahyan, President of the UAE, has proclaimed the year 2019 to be the "The Year of Tolerance" in the UAE, highlighting the UAE as a global capital for tolerance, and emphasizing tolerance as a universal concept aimed at entrenching the values of tolerance, dialogue, coexistence and openness to different cultures.

"The Year of Tolerance" embodies the approach adopted by the UAE since its establishment to be a bridge of communication between the people of the world and their various cultures, in an environment of openness and respect that rejects extremism and promotes coexistence.

The first EIPF brings together the work of leading designers from around the world to celebrate "The Year of Tolerance" and share the values of tolerance, coexistence and openness.
